To be completed for UIP self single point self connections in accordance with the relevant business rules as published by ES Pipelines. Completed request to be sent to design@espug.com.

Date of Request Your Ref. No.

Has an Enquiry Form been submitted for this site previously? **Yes/No**
 If yes, ES Pipelines Ref No:.....

Enquiring Company
 Name.....
 Contact Name.....
 Address.....

 Post Code.....
 Telephone No.....
 Fax No.....
 Email.....

<p>GIRS REGISTRATION SCOPE</p> <p>Confirm company name for the following registration scopes:</p> <p>Design</p> <p>Construction/Commissioning.....</p> <p>Project Management.....</p>

Proposed Site Information

Site Contact Tel No.....
 Site Name Site Location Plans Attached: **Yes/No**
 Site Address

 Post Code

Connection Location:

Easting: Northing:.....

Single or Multiple Premises?

Type of Development (delete as required) Domestic / Commercial / Industrial

A) Proposed Load

Max. instantaneous rate.....kW Max Annual Consumption.....kWh
 Predicted service pressure drop at peakmbarg (no greater than 2 mbarg for LP Services)

Does the proposed load follow a normal space heating pattern? **Yes/No**

B) Connection details (Please also indicate on site plan)

Connection Point Location.....

 Offtake Diameter and Material.....
 Length and Diameter of Pipework.....
 Termination Point
 Any other details.....

C) The following section is for Industrial / Commercial premises only:

Type of Load (e.g. modulating, constant, process/on-off/CHP) :
 Will a compressor be fitted? : **Yes/No**
 Is the proposed load requested to be Interruptible?(if not completed, assume Firm)
 Is the pressure at the inlet to supply meter installation required to be >20.75 mbar? **Yes/No**
 If yes, specify:

D) The following section is for Domestic premises only:

Type; Private **Yes/No** Local Authority **Yes/No** Housing Association **Yes/No** Mixed **Yes/No**

Are there any non-domestic properties? (Specify)
 Are there any exceptional loads? (e.g. swimming pools).....
 Developer Details.....

Please complete the remainder of the form for both Domestic and Industrial & Commercial properties

Properties to be connected and gas usage							Total
Property Type							
No. of premises							
Central Heating? (domestic only) Y/N							
Estimated Annual Consumption (kWh)							
Peak Instantaneous Demand (kW)							
Meter Housing							

Property Type: For domestic loads, FL = Flat, TH= Terraced House, SD= Semi Detached House, DH= Detached House, BU= Bungalow, O = Other (specify)..... For non-domestic loads please indicate unit numbers.

Is the development or the load growth phased? **Yes/No**
 If yes, please provide details (including number of proposed connections, and their associated load, per year)

On multiple developments, please indicate the number of connections required within the site on a suitable scale drawing.

Is growth beyond this site anticipated within the next 5 years? **Yes/No**
 If yes, please provide details (including number of proposed connections per year)
